Grand Old Flag

Block of the Month for the *May 2007* meeting is a slightly modified American flag.. Finished size of the block should be 6 (six) inches (unfinished 6 1/2). There is a paper-piece foundation pattern on this page. There will be extra copies of this at the March meeting and also piecing templates if you do not wish to paper piece. Please do the stripes in red and white (or off white) and the background in a neutral (but not the same as the white flag stripes). You can make the field of stars part solid blue, or a blue fabric with stars if you have one, or you can add buttons here. Use your imagination. If we have enough entries, we will give away more than one set of blocks.
