

Twist & Shout!

Block of the Month for the July 2007 meeting is *Twist & Shout*. Finished size of the block should be 6 (six) inches (unfinished 6 1/2). There is a paper-piece foundation pattern on this page. There will be extra copies of this at the May and June meetings and also piecing templates if you do not wish to paper piece. Make the blocks in shades of blues & yellows. Small prints, batiks, or solids in blue & yellow (see below) will work. If we have enough entries, we will give away more than one set of blocks.
